

Multi-District Board Trustee & Library Director Workshop

featuring Michael Kumer, Principal of [BoardsMTO](#)

Saturday, September 17th 2016

9:30 am – 3 pm

Registration begins at 9AM
(Light breakfast and lunch included)

**East Shore Area Library
4501 Ethel Street, Harrisburg PA 17109**

In this daylong, interactive workshop we will draw upon the expertise, experience, and passionate commitment present in the audience. We'll learn to spot opportunities in every challenge, focus on a new definition of success, inspire others, and work to change the world as we change ourselves.

Although libraries are complex organizations involving multiple stakeholders, competing priorities, and conflicting agendas, a high functioning and collaborative team of a library director and board of trustees leads to community transformation. It IS possible to develop a healthy, mutually respectful and fully cooperating *Possible Team* that includes the Board, Friends and Staff.
