

## SCHOLASTIC PARTNERS WITH YOU TO BRING BOOKS INTO YOUR STUDENTS' HOMES

As “the most trusted name in learning,” Scholastic bridges the learning gap on all fronts with a whole-child approach. Helping students become strong, confident learners requires the efforts of not just their teachers, but their parents and the entire community as well.

Join Scholastic FACE (Family and Community Engagement) to support your efforts to build home libraries, strengthen family-school partnerships, and avoid losing the academic gains that you and others work so hard for during the school year.

Through the Scholastic FACE membership program, you get access to an extensive selection of deeply discounted and high-quality books that provide a text-rich environment in your students' homes.

Children must have books in the home to reach their full potential. Here's why:

- A child in a home with 25 books will, on average, complete two more years of school than would a child from a home without any books.<sup>1</sup>
- Families with a rich reading culture—books and lots of talk about books—are likely to raise successful readers.<sup>2</sup>
- Children whose parents have lots of books are nearly 20% more likely to finish college.<sup>3</sup>

## CELEBRATE READING THROUGHOUT THE YEAR WITH BOOK GIVEAWAYS!

Children must read independently to gain the fluency and knowledge they'll need to succeed in school and beyond. As a Scholastic FACE member, you can:

- **Promote kindergarten readiness** by providing a book at every child's registration.
- **Enhance back-to-school and family literacy events** with free books for every family.
- **Encourage reading practice during holidays** and breaks with thematic books.
- **Mitigate the summer reading loss** by encouraging independent reading.
- **Celebrate reading with a One School, One Book event** and invite staff, families, and the community to join in.

When kids experience the joy of owning books that they love, they become active learners who seek out new stories and new truths. Help open this world to them with Scholastic FACE.

“The children are so happy when they get a new book for their library. For children to have their own place to keep books is also very special. They go right to their library crate and choose a book. We have created a cozy place for them near their library crate where they can relax, read, and enjoy a good book.”
